SMUDGING AND CEREMONIAL CONSENT

Regina Public Schools supports the belief that the inclusion of Indigenous knowledge, perspectives, and ways of knowing is of benefit to all students. Practices like smudging, pipe ceremonies, and the use of tobacco are a part of Indigenous traditional ways and are therefore accommodated in appropriate ways and spaces in our schools. These practices are often accompanied by teachings from an Elder or Knowledge Keeper. They are supervised at all times and are always voluntary, as such students are able to refrain from participating in these ceremonial practices, while still actively engaging in the learning experience.

As a FTV school, Balfour is committed to creating educational experiences that promote accelerated learning for First Nations, Métis, and Inuit students where learning is joyful, culture is affirmed, and students are given real choices for their future.

I understand by signing this form, permission to participate will remain in effect for the duration of my child's attendance at Regina Public Schools.

- I, the parent/guardian of the student named below, **do** hereby grant permission for my child to participate in Indigenous smudging and/or ceremonies such as the feast.
- I, the parent/guardian of the student named below, **do not** hereby grant permission for my child to participate in Indigenous smudging and/or ceremonies such as the feast.

Below is a description of the types of student information or images that the school division, school or news media may share.
